## WORK RELATED INJURIES (WORKCOVER)

The Berri Medical Clinic is available for employees to utilize in the treatment and care of any employee with a work related injury.

The employer is responsible for the following:

- At the initial treatment / time of injury of your employee, we ask that you provide the clinic with contact details of your company for billing purposes.
- We ask that you book any follow up appointments as soon as possible:
  - In case the treating doctor is booked
  - To allow for continuity of care
  - To allow for a timely return to work
- You must inform the clinic at the time of booking if your employee requires a longer appointment for paperwork, case conferences etc.

## PAYMENT POLICY

Billing address / details of the employer are required at the time of consult .

If the injury is being claimed through a Workcover insurer we will require the Claim number and the billing address / details of the insurer.

Workcover standard fees apply for all consults or services.

## EMPLOYMENT MEDICALS

It is policy of the Berri Medical Clinic that any company wishing to have a pre employment medical will provide the medical details via email to;

## FLU VACCINATIONS

The benefits of workplace flu vaccinations include:

- Helps to maintain staff health and wellbeing
- Reduces sick-leave and absenteeism
- Limits disruption to staff performance and productivity
- Reduces the risk of spreading the flu at work
- Helps protect others who are at high medical risk from the flu
- Helps to avoid medical costs associated with the flu and its complications
- Reduce the risk of unrealistic workloads for uninfected staff
- Demonstrates the employers interest in workers health and welfare

The employer is responsible for the following:

- Contacting the clinic to make arrangements for vaccinations
- Informing the clinic of employee numbers
- Notifying the clinic of any specific needs / issues

Once you have made contact with the clinic we will forward all necessary paperwork to your company.

**NB: This will include a short questionnaire to be completed by each employee BEFORE attending the flu clinic.**

**ONSITE CLINICS:** Can be arranged if your company has 15 or more employees requiring vaccination.

*This must be pre arranged with the Practice Manager for a time and date convenient.*

Flu clinics are traditionally held between late March—May each year.
