Consent for Electronic Communication

Unencrypted email is not a secure form of communication. There is some risk that any individually identifiable health information and other sensitive or confidential information that may be contained in such email may be misdirected, disclosed to or intercepted by, unauthorized third parties.

However, you may consent to receive emails from us containing your personal information. You may also consent to Berri Medical Clinic using unencrypted email to communicate your health information that includes individually identifiable, confidential information to a third party.

The Berri Medical Clinic will only share the minimum essential information required in any communication both with you and / or a third party.

You may withdraw your consent at any time.

I consent and accept the risk in receiving information and the transmission of information to myself or an authorised third party via email/text message. I understand I can withdraw my consent at any time.

I do not consent to and the transmission of information to myself or an authorised third party via email/text message. I understand that I can change my mind and provide consent later.
